## **A 45 minute introduction to the PPAD-E Post-Primary Assessment and Diagnosis –English**

A new ground breaking assessment of literacy skills developed by the National Educational Psychological Service (NEPS) and the Educational Research Centre (ERC)

### **What does it test?**

Spelling  
Word reading  
Reading Fluency/Speed  
Reading Comprehension  
Written expression

### **Features of the PPAD-E assessment**

Culturally appropriate and tailored to the Irish context  
Designed for use by teachers  
Helpful for screening for difficulties across an entire year  
Useful for diagnostic purposes, monitoring and evaluating progress  
Can help identify if further assessment may be needed  
Suitable for 99.5 of all students

### **Scoring and reporting tool**

The PPAD-E has a secure software application that converts raw scores into standard scores and generates interpretation and intervention reports. The reports provide a range of suggestions outlining evidenced based SET intervention and research validated in-class approaches for each student.
