

Leaving Certificate Physical Education (LCPE) Performance Assessment – Updates and Preparation

The PDST Post Primary PE Team is delighted to offer this evening workshop on the **Performance Assessment for Leaving Certificate Physical Education (LCPE)**. The Performance Assessment (PA), which is assessed at common level and is worth 30% of the overall marks, was assessed for the first time in 2022. This year's PA must be completed during LCPE class time before 31/03/2023.

The workshop will address the underlying principles that guide the project. Teachers will also be supported through the key logistical considerations, practicalities and pedagogical approaches to consider when undertaking the project with their LCPE group. PE teachers who may be teaching LCPE in the future are welcome to attend.

Registration for this workshop will be open on www.pdst.ie on **Wednesday, January 25th at 5pm**. Each workshop is limited to **24 participants** and places will be allocated on a first come first served basis. **Teachers should register for one of the following events if you wish to attend:**
